

August & September 2021

A NEW SCHOOL YEAR!

The Big Move

Wednesday, 8/11 we will move children up to their next classroom. You will receive information from your teachers letting you know all necessary information regarding any moves for your family as well as information on the 2021/22 school year. It's going to be an exciting season!

SBCSC

SBCSC will be sharing their bus schedules with us soon. We receive busses from Kennedy, Marshall, Nuner, Jackson and LaSalle. The ATLC bus route goes to Monroe, St. Jude and St. Matthews. If you're child is riding the bus to ATLC please notify SBCSC Transportation Dept. 393-7000.

Picnic

Our annual end of the year picnic and field day will be on Tuesday, 8/10. Classrooms will celebrate their last day in class before they move up! We ask that you sign up for a dish to share. Your teachers can help with that.

Roundbelly's Pizza

We have a special visitor coming to ATLC! Roundbelly's Pizza will be here on Monday, 8/2 from 4-7pm (we still close at 5:30). You can pick up pizzas to take home that night. Pizzas cost \$10-12 each. Though I haven't tried it, I love pizza, food trucks and an easy dinner! Sounds like a perfect night!

Home Visits

Teachers will begin scheduling home visits between 8/16-11/5. Home visits are important in sharing academic goals, partnering in education and getting better acquainted with one another and the curriculum. Thank you for your support as we head into the new school year.

Grandparent's Day

We will be celebrating Grandparent's Day on Friday, 9/10 from 3-5pm. Please, have Grandma and Grandpa visit us for a special snack and a surprise!

BOOK FAIR

Our annual Scholastic book fair will be 8/31-9/10. This is an affordable way to provide books for your children. Please stop by to check it out! Proceeds help us replenish classroom books.

LABOR DAY

ATLC will be closed on Monday, 9/6 for Labor Day. Enjoy your holiday. Vacation forms are located in the lobby if you're requesting a credit for the day.

Thank you to our teaching team. The workforce shortage continues to be a burden for everyone. We have wonderful, caring and HARDWORKING teachers who remain diligent in their work and commitment to best practices.
