

July 2022

**4<sup>th</sup> of July**

AppleTree will be closed on Monday, 7/4 in observation of Independence Day.

**CACFP Food Program Annual Renewal**

Every year we have to obtain new paperwork from each family regarding food program eligibility. This helps us provide nutritious meals and healthy initiatives. At the end of the day, Erika or Bailey will have yellow forms for you to complete.

**Build, Learn, Grow Scholarships**

BLG Scholarship benefits are ending the week of June 27<sup>th</sup>. I will send reminder emails of what your tuition will resume to, effective 7/4. This was a gift to many, hopefully we will see more opportunities in the near future. I realize you may be submitting vacation credits for 7/4. Those will be credited to your account, accordingly.

**Reminders**

- Please make sure that your child has appropriate spare clothes in their cubby.
- Classes often incorporate water play to make outdoor time comfortable and safe. Please bring in additional clothes or a swimsuit for water play.
- Drivers, be cautious and aware of children in the parking lot. They can be unpredictable.
- Parents, your children can be unpredictable, hold their hands in the parking lot. We've seen them run across the lot as cars enter.

**Congratulations!**

Miss Justine was just awarded with her CDA. This is a time-consuming rigor that demonstrates her ability to foster the social, emotional, physical and cognitive growth of young children. She already holds a Bachelor's degree in Theater Arts. Now she has another accomplishment! Congratulations Miss Justine!

**THANK YOU!**

Summer is in full swing; everyone is having a blast! Thank you to the teachers for taking extra care with the heat and sunscreen. Thank you to Miss Audrey and Miss Melissa for planning a thoughtful summer program full of education, activity and fun! The children are so excited about their experiences and field trips!
