

# APPLETREE LEARNING CENTER

OCTOBER 2020

## Parent Advisory Board

We will be hosting our first ZOOM Parent Advisory Board Meeting on Wednesday, 10/7 at 6pm. If you have a heart for serving or if you want to connect and learn more about ATLC, current events, staff and your child's success, please join us! RSVP [tdant3333@aol.com](mailto:tdant3333@aol.com) so I can send you a link.

## Conferences 10/12-16

It's hard to believe we are preparing for parent-teacher conferences already! Your teachers will schedule time with you to go over your child's progress so far and goals for the year. They will communicate with you about growth and development benchmarks regarding cognitive skills, social & emotional awareness and physical milestones. Conferences will be virtual; you'll be receiving more information regarding the platform and meeting link.

## Halloween Parties 10/30

Children love to have a party. We still will host Halloween parties on Friday, 10/30. Goody sign-up sheets will be posted in each room. This is **not** when we bring costumes, simply a festive daytime event as we lead up to Trunk-or-Treating later that night!

## Fright Night...Trunk or Treat Style 10/30

It's BACK! Please join us for our famous **Fright Night!** Friday, 10/30 from 6:30-8:00 p.m. Everyone, and I mean **EVERYONE** dresses in their favorite Halloween costume. This year, we will have a Trunk- or-Treat. Staff will have games, decorations and goodies set up out of their trunks. Masks will be required for the adults; families will park in the front lot and walk through our Trunk-or-Treat. There will be plenty of signage & directions for your convenience. AppleTree is the place to be on Fright Night!

## eLearning

We continue to monitor SBCSC and eLearning. Given the most recent proposal, we anticipate our role in supporting eLearning. This means we will provide our current level of eLearning on the days in which students are **not** in school. We will not be offering eLearning at ATLC as a replacement to in-person learning once students return to school. We feel fortunate to have offered support for as long as we have but feel best practices will be live interaction at school.

Parent Advisory  
Board Meeting 10/7  
6p.m.

Conferences  
10/12-16

Halloween Party
