

APPLETREE LEARNING CENTER

OCTOBER 2021

Halloween Parties 10/29

Children love to have a party. We still will host Halloween parties on Friday, 10/29. Goody sign-up sheets will be shared via email. This is not the for costumes, simply a festive day as we lead up to Trunk-or-Treating....AKA *Fright Night!*

Fright Night 10/29

It's BACK! Please join us for our famous *Fright Night!* We will be hosting a Trunk-or-Treat for the night. If you recall, this is how we celebrated last year. Join us on Friday, 10/29 from 6:30-8:00 p.m. Everyone, and I mean *EVERYONE* dresses in their favorite Halloween costume. The staff parking area will set up with games, treats and goblins. It's a great time for families to get to know one another and meet the children you hear so much about. AppleTree is the place to be on Fright Night!

AppleTree Hours

AppleTree closes promptly at 5:30 p.m. With staff shortages, our schedule is very tight. This means we must pick up our children and exit the building by 5:30 p.m. Our teachers are parents with families and students heading to class and they've no doubt put in at least 10 hours for the day. We honor their valuable time by adhering to this policy. Families are charged \$1.00 per minute/per child when left beyond closing time. If you know anyone looking for work, send them our way!

NAEYC Accreditation!

We finally received notification that we were awarded NAEYC Accreditation! The teachers have worked so hard to maintain best practices for each of our families. This was our second NAEYC visit and certification lasts 5 years. This feat was especially exciting as we have less staff, fewer resources and yet more obstacles. Congratulations to you for choosing high quality for your children and congratulations to our team for a stellar work!

Thank you!

Thank you for participating in Home Visits, Conferences and Annual Surveys. These are all requirements for our teachers. The purpose is to foster relationships with families, demonstrate our curriculum and partner with you in your child's education, growth and development. Children see your investment in them when you participate in these events. It matters!

**Halloween Party
Friday, 10/29 Bring a
treat to share**

**Fright Night Friday,
10/29 @ 6:30-
8:00 p.m.**

**ATLC closes at
